**Faculty Council of Community Colleges
2023/2024 Community College Advocacy
EC1. 2022-2023
Passed by the Executive Committee
November 4, 2022**

WHEREAS, community colleges provide low-cost, high-quality academic programs and prepare students to transfer at junior standing within SUNY; and

WHEREAS, community colleges are the most responsive sector of education that provides critical workforce training for employers to grow New York's economy; and

WHEREAS, community colleges have made the difficult decisions to make personnel reductions to keep their operating budgets in balance; and

WHEREAS, community college faculty carry a standard teaching load that is nearly twice that of state-operated campus faculty and teach a diverse student population with varying degrees of preparation and skill, while being paid substantially lower salaries; and

WHEREAS, community colleges serve a disproportionately high percentage of low-income and students of color and are a key contributor to the state's equity agenda; and

WHEREAS, the State revised the historical full-time-equivalent (FTE) funding formula, resulting in decreased funding by 26% during the Great Recession (2008-2011) for community colleges; and

WHEREAS, the per FTE funding model does not account for the fact that nearly half of community college students attend part time, and require the same services as full time; and

WHEREAS, the funding floor for community colleges is similar to funding models of state-operated campuses (maintenance of effort) and K-12 (foundation aid), which are both codified in legislation, while community college funding floor is not; and

WHEREAS, the Excelsior Scholarship and TAP-gap funding disproportionately benefit the four-year sector of higher education in New York and erode the price differential for community college access; and

WHEREAS, the State and Counties should have an equal share in supporting community colleges, however the 62 counties in New York provide roughly \$100 million more than the State in annual operating dollars for community colleges; and

WHEREAS, despite claims of increasing support for community colleges, increases have only come in one-time workforce development funds while maintenance of effort support for base operating funds has decreased exponentially, with the State disinvesting more than \$52 million in base operating aid for community colleges since 2016;

THEREFORE BE IT RESOLVED, that the FCCC supports commitment to legislated maintenance of effort for community colleges' base-operating state aid; and

RESOLVED, that the FCCC supports the community college sector's request for a four-percent increase to the annual maintenance of effort base operating aid for community colleges; and

RESOLVED, that the FCCC supports the community college sector's request to maintain the \$60 million from the 2022 budget for high-cost workforce development programs in the future maintenance of effort allocation for community colleges.

TOMPKINS CORTLAND COMMUNITY COLLEGE BYLAWS FOR COLLEGE GOVERNANCE

Article 1: Preamble

In accordance with the Mission, Vision, Values, and Goals developed at Tompkins Cortland Community College, and with the approval of the Board of Trustees, the President, and the College staff, a College Governance Model has been established.

Article 2: Governance Structure

Governance shall consist of an elected, College-wide committee known as the "College Senate." Meetings shall be open to all members of the College community.

Article 3: Purpose and Function

The College Senate is to be the voice and representation for faculty, staff, students, and administrators in the campus Shared Governance process. The College Senate fosters a dynamic, open, and cooperative process which seeks input and recommendations from all campus constituencies to inform decision-making that will help the College best achieve its mission and goals. Such a participatory structure and process will assist the campus community to communicate and collaborate in a respectful, honest, and productive manner regarding decisions that are for the good of the College as a whole in terms of establishing its course and direction.¹

The College Senate shall:

- 3.1 Provide an opportunity and structure for the constituencies of Tompkins Cortland Community College (TC3) to formulate positions on policy matters of common interest to the College for transmittal to the President and the Board of Trustees.
- 3.2 Provide an opportunity for constituencies of TC3 to act in an advisory, consultative, and planning capacity to the President.
- 3.3 Provide lines of communication and the opportunity for interchange of ideas among and between all individuals and constituencies of the College on matters of common interest. **See Appendix I**
- 3.4 Provide a mechanism for recommendations to the President on the establishment of and procedures for designated councils and committees of the College.
- 3.5 Provide for the establishment and coordination of a College-wide governance system of committees.
 - 3.5.1 If a policy or major operational implications are apparent in any group functioning outside of the established governance system, the Chairperson(s) of the College Senate ~~shall~~ **may** meet with that group or appropriate administrator to include that work as part of the College Senate.

¹ Adapted from Broome Community College's College Assembly

3.6 Provide an open forum and channel of communication among members of the College community regarding any issue of relevance to ~~campus life~~ **campus operation**.²

Formatted: Font color: Red, Strikethrough

3.7 Establishment of a committee or dissolution of a committee can take place after review and due ~~deliberation~~.

Commented [ML1]: Dara: This is a VERY broad statement. I recommend refining it. Perhaps something along the lines of: "Provide an open forum and channel of communication for representatives from a variety of departments to discuss campus issues and engage others as needed to address concerns."

3.7.1 Criteria for establishing a committee:

3.7.1.1 Potential committees must submit a committee charge form to the College Senate chairperson(s).

3.7.1.2 Each committee may at any time propose changes to its charge or composition. Such changes shall take effect only upon approval by the College Senate.

3.7.1.3 Review: The College Senate shall review the charges and compositions of all committees at least every three (3) ~~years~~.

Commented [ML2]: Dara: Is this true for sub-committees as well or are those reviewed by the individual committees? Possibly notation in parenthesis that all sub-committees report to their respective committees.

3.7.2 Criteria for dissolution of a committee:

3.7.2.1 If a committee's function/charge becomes obsolete.

3.7.2.2 If for a period of one (1) year a committee becomes inactive or

3.7.2.3 Noncompliant (not following the committee's charge) or

3.7.2.4 If a standing committee does not report to the College Senate according to Article 12 of the College Senate bylaws. Any committee wishing not to be dissolved may submit a proposal to the College Senate describing how they will remedy their inactivity or noncompliance for the following year.

3.7.2.5 If during the following year the committee does not comply with the proposed remedies, and has remained inactive or noncompliant for a period of two (2) years, the committee shall be dissolved.

3.7.2.6 The College Senate shall send formal notification of a committee's dissolution to the College Community.

Article 4: Membership

4.1 The College Senate shall be made up of a maximum of nineteen (19) voting members from identified groups within the College community. (Effective for the election of 2020-2021, the number of at-large members will be reduced from seven (~~7~~) to three (3) members, bringing the total number of College Senate members to 19.)

Commented [ML3]: Dara – a blank comment was inserted here... was there a thought? Possibly remove the statement in the parenthesis?

4.1.1 Fifteen (15) members shall be elected from the employee groups of the College as follows:

- Three (3) members shall be elected from the Teaching Faculty (2 year term)
- Three (3) members shall be elected from the Classified Staff (2 year term)
- Three (3) members shall be elected from the Non-Teaching Faculty and Administrative Staff (2 year term)
- Three (3) members shall be elected from the Faculty Student Association employees (2 year term)
- Three (3) members shall be elected at-large from the above-named employee groups (2 year term)

4.1.2 Four (4) members shall be selected for election from the following groups:

² 3.1-3.6 Adapted from Mohawk Valley Community College By-laws, 2.1-2.6, 5/1/18

- It shall be the responsibility of the College Senate chairperson(s) to arrange for the selection of two (2) Adjunct/Contract employee representatives, elected by Adjunct/Contract employees, at the beginning of the academic year. Adjunct/Contract employee terms of membership shall be for one year and only two consecutive terms.
 - It shall be the responsibility of the College Senate chairperson(s) to arrange for the selection of two (2) student representatives through the Student Advisory Board. Student terms of membership shall be for one year.
- 4.1.3** Ex-Officio, non-voting members: One member from the President's Cabinet or Executive Leadership Team shall be present at each meeting to facilitate communication flow between the Executive Branch and the College Senate. The Faculty Council of Community Colleges (FCCC) delegate should either present or send an update to the College Senate at least once a month.
- 4.2** Any staff member whose position is not clearly identified by the terms Teaching Faculty, Non-Teaching Faculty, Classified Staff, Administrative Staff, or Faculty Student Association employees, shall be considered a part of the employee group identified as Non-Teaching Faculty/Administrative Staff. Examples include, but are not limited to, positions identified as Technical Assistant, Learning Lab Specialist, Management Confidential (excluding Executive branch membership).
- 4.3** No person shall serve as a College Senate member for more than two consecutive terms.
- 4.4** If the completion of the term as Chairperson coincides with the end of their College Senate term, they then shall continue as an ex-officio member for one year. This shall be for the purpose of providing continuity in the leadership of the College Senate. Otherwise, they shall continue as a member of the College Senate for the completion of their term.³
- 4.5** An open call for nominations will be sent by members (not necessarily any specific officer) of the College Senate six (6) weeks prior to the end of the semester to solicit nominees for open seats in order to populate a ballot.
- 4.5.1** All nominees shall be identified on the ballot by employee group: Teaching Faculty, Classified Staff, Non-Teaching Faculty/Administrative Staff, or Faculty Student Association employees.
- 4.5.2** Instances where more nominations exist than seats available for elected members shall be selected as follows:
- 4.5.2.1** The nominees with the highest vote tallies within that employee group shall fill the requisite number of seats identified for a particular employee group. When all designated seats have been filled, the remaining nominees shall then be considered at-large and seats shall be filled by those nominees with the highest vote tallies, without regard to employee designation. This applies to new members and members wishing to carry on to a second term. Both shall be on the ballot with the highest vote tallies taking available seats.
- 4.5.3** Before the end of the academic year, the newly constituted College Senate shall meet and elect the Chairperson(s) to serve for the following academic year.
- 4.6** The term of the newly elected College Senate shall begin on the first day of the next academic year.

6.6 Voting:

6.6.1 All members are equal voting members; proxy votes are not permitted.

6.6.2 At any time voting can be done by secret ballot.

Commented [ML4]: Victoria – Is this too much? Is once per month (before the BOT meetings) enough with extra as needed?

Commented [ML5]: Victoria – Should we be explicit about in-person or remote?

⁶ Mohawk Valley Community College By-laws, 4.4.3.1.3, 5/1/18

6.6.3 When an urgent issue must be decided and it is not possible to convene a regular or special meeting of the full College Senate, the Chairperson(s) may ask for and receive an e-mail vote on an item of business.

Commented [ML6]: Victoria – Should electronic voting be allowed in more circumstances? For example, if we discussed an item during the meeting but needed one more bit of information that is being emailed, can we then vote electronically?

6.7 In the event the Senate Chairperson with the approval of the majority of the Executive Committee determines a public emergency or natural disaster makes the holding of an in-person meeting of the Academic Senate impractical or impossible, the organization may conduct its meetings in whole or in part by electronic or other remote access means as reasonably necessary for the duration of the emergency or disaster; provided that the organization shall use its best efforts to implement any such virtual meetings with full regard for the need to maintain as much as possible accessibility for all members, including those with disabilities and those who lack access to sophisticated technology tools. Any action that could be taken at an in-person meeting, including bylaws amendments and elections may also be taken at a virtual meeting held pursuant to this clause and in accord with other established provisions of these bylaws.

Commented [ML7]: Casey – This needs to be a group Senate conversation and vote, this is just an example from another CC.

The Chairperson of the Academic Senate in consultation with the executive committee must provide members at least 24 hours advance notice of the change to a remote meeting and shall provide instructions for participation. During a virtual meeting, all reasonable technology must be used to authenticate each individual who attends. The technology used for the remote access meeting shall allow all Academic Senate members full access to and participation in all meeting transactions either continuously or intermittently throughout the specified time of the meeting.

Participation in a meeting held by remote communication shall constitute presence in person at the meeting for all purposes, including quorum and voting. An anonymous vote conducted through the designated Internet meeting service shall be deemed a ballot vote, fulfilling any requirement in the bylaws or rules that a vote be conducted by ballot, or secret ballots.
